Messer. Audit Bureau Consultancy

Letter of Reference

We would like to take a moment to thank Audit Bureau Consultancy (ABC) for the outstanding work in Wad-Medani College of Medical Sciences And Technology (MST) project.

We are appreciated ABC for the professionalism in its highly project management consultancy services that provide us the opportunity for working in the MST project as the best qualified for the AC works (Supplying and Contracting).

Definitely, this makes the Client very proud for ABC contribution and support in the project cost management.

Sincerely,

Eng. El Shafie Omer
AC Sales Manager
